Spring Startup 2022

Karen T. Carey, Chancellor

Land Acknowledgement

- Our campuses reside on the unceded territories of the Áak'w K̄wáan, Taant'á K̄wáan, and Sheetk'á K̄wáan on Lingít Aaní, also known as Juneau, Ketchikan, and Sitka, Alaska. We
- acknowledge that Lingít Peoples have been stewards of the land on which we work and
- reside since time immemorial, and we are grateful for that stewardship and incredible
- care. We also recognize that our campuses are adjacent to the ancestral home of the
- X̄aadas and Ts'msyen and we commit to serving their peoples with equity and care. We
- recognize the series of unjust actions that attempted to remove them from their land,
- which includes forced relocations and the burning of villages. We honor the relationships
- that exist between Lingít, X̄aadas, and Ts'msyen peoples, and their sovereign relationships
- to their lands, their languages, their ancestors, and future generations. We aspire to work
- toward healing and liberation, recognizing our paths are intertwined in the complex
- histories of colonization in Alaska. We acknowledge that we arrived here by listening to the
- peoples/elders/lessons from the past and these stories carry us as we weave a healthier
- world for future generations.
