Frequently Asked Questions

Do I need an appointment?

No. Walk-ins are welcome. However, we do give scheduled appointments priority. Without an appointment, you may have to wait for a tutor to be available.

How do I make an appointment?

Online: www.uas.alaska.edu/juneau/writing-center

Email: uas.writingcenter@alaska.edu

Phone: 907-796-6188

What types of writing will you look at?

Everything! We will happily look at all types of writing for all courses including essays, research papers, creative writing, personal statements on applications, and cover letters. If you wrote it, we can help you with it!

What if I can't come to the Writing Center during open hours but I still need help?

We can consult with you over the phone during our open hours. Contact us to schedule a phone appointment. If you are not available at all during our open hours, contact us via email, and we still may be able to find a better time to work with you.

If I email my paper to you, will you edit it for me?

No. We are not an editing service. Our goal is to help you become a better writer. You are welcome to email your writing (and the assignment) to us after you have set up an appointment. We will read through it and determine the best way to coach you during your tutoring session.

How much does it cost?

Nothing! Writing Center services are completely free to all UAS on campus and e-Learning students.
